PREFACE

Om Swastyastu,

We would like to express our gratitude to Ida Sang Hyang Widhi Wasa for all His blessings, grace, and gifts so that the Proceedings of the International Conference on Multi-Disciplines Approaches for the Sustainable Development could be published.

This proceeding is a collection of scientific works by speakers from various institutions/universities and various backgrounds of expertise which were presented at the International Conference on Multi-Disciplines Approaches for the Sustainable Development which was held on 16th December 2022 at Dwijendra University. This conference was attended by 132 participants and invited guests from various institutions and universities in Indonesia, the Philippines, Malaysia and India. There were 102 papers presented from various institutions and universities.

Dwijendra University as the organizer of the MULTI-DISCIPLINES APPROACHES FOR THE SUSTAINABLE DEVELOPMENT Conference would like to express our deepest gratitude to all committee members, speakers, moderators, as well as presenters and listeners who have actively participated in the conference. We would also like to extend our gratitude to the entire board of Editors and Reviewers who have selected, gave an assessments, directions, input, and corrections to the submitted papers, therefore it deserves to be published in this proceeding. Special thanks to Narotama University, Pakuan University, Perhepi, HKTU, ADRI and Dwijendra University who have supported this International Conference.

It is our hope that this proceeding will provide benefits to readers, as well as become a reference in conducting research and developing a multi-disciplinary approach for the sustainable development. There must be some weaknesses in this proceeding. Therefore, we really hope for the constructive criticism and suggestions for the improvement of the conference activities and further proceeding publication.

Om Shanti Shanti Shanti, Om
